Dear Sir/Madam,

**RE: DR. EZEKIEL MECHE MEMBERSHIP IN KENYA DAAD SCHOLARS ASSOCIATION (KDSA)**

---

I am writing to inform you that Dr. Ezekiel Onyonka Mecha is a member of the Kenya DAAD Scholars Association (KDSA) since 2015. He is currently a national executive board member of KDSA and the current chairperson of KDSA University of Nairobi Chapter.

During this period, Dr Mecha has been an active member of the association and he has been able to attract a number of workshop and conference grants to organize a workshop on grant writing and research administration which took place at the University of Nairobi in March 2019. In addition, Dr Mecha has managed to attract two conference grants to organize the first and second East Africa Endometriosis Conferences which took place in May 2021 and June 2022 where he was the main organizer (<https://east-african-endometriosis-conference.org/> and <https://east-african-endometriosis-conference.org/>). In addition, Dr. Mecha has been an active member KDSA events which are held in various KDSA chapter under DAAD sponsorship

For more information and any clarification concerning Dr. Ezekiel Mecha, kindly feel to contact me anytime.

Yours Sincerely,

**Dr. Patrick Okanya, PhD**
