Nairobi
KENYA

Membership No: 85148

1 January 2001

Dear colleague

I am pleased to acknowledge your application at the Cape Town Congress for membership of IAH, and formally welcome you to the Association.

Thank you for your payment of 180 Rand for your 2001 subscription - receipt attached.

Membership includes copies of the *Hydrogeology Journal* six times a year, and IAH publications are available to members at a discount. I enclose relevant information.

Your membership benefits will commence in February when you will be mailed the first 2001 issue of the *Hydrogeology Journal*. Thereafter, you will receive regular mailings every 2 months.

I hope that you will find the Association a valuable forum for information on groundwater science and engineering, and their application for the benefit of mankind and the environment.

Yours sincerely

Dr ANDREW SKINNER
SECRETARY GENERAL

Enc.

Since 1956 a world-wide forum on the
management of groundwater for the
benefit of mankind and the environment
