EXAMINATION RESULT SLIP
(Technical)

NOTES

Result in the examination as a whole is given in four classes: Passed with Distinction; Passed with Credit; Passed; Failed.

Performance in each part of an examination is given in eight grades (grade 1 being the highest) or in some instances in two grades: P= Pass and X= Fail. ABS means absent and XMT exempt.

REF following the grade for a paper means that the candidate is permitted to retake the paper with a view to qualifying for a pass in the examination as a whole. Candidate's names, as printed above, will appear on any certificate issued, and in the council's records. If it is incorrect, contact the examination centre immediately.
